10) ANNOUNCEMENTS/ SAFETY REPORT

City of Ventnor, NJ
November 2018 report

The safety committee met on Wednesday November 7th.

As this was held a week earlier than normal, the Open Claims report reflecting October incidents was not yet available. There were 2 items however discussed, both potential general liability claims, with undetermined severity at this point.

- A male fell in City Hall on the last step. That being said it can be assumed that he was coming down, however he claims to have fallen and injured his leg. It was noted that the stairs were dry and there are no defects noted.
- A 2 year old child who, while riding the slide at the Somerset Ave playground, injured his foot upon landing at the bottom of the slide where the matting had been worn away down to the concrete. Both of these injured parties were transported via ambulance to the hospital.

This month's wellness newsletter deals with mental health issues, but seems to lack one of the PTSD issues that have historically caused some issues.

Playgrounds are being inspected immediately after the safety meeting, full report to be reviewed when received.

Next meeting is Wednesday 12/12/2018.
