

Policy Regarding Moderation of Third Party Content

The City of Ventnor's social media sites are routinely monitored by City personnel. The City's social media sites are not a traditional public forum and only serve as a limited public forum. Accordingly, all comments and other content posted by users on the City's social media sites are subject to monitoring. User-generated posts or comments could be rejected, removed, or hidden by city staff when the content includes, and is not limited to, the following:

- contains nudity, obscenity, or material that appeals to the prurient interest
- contains personal identifying information or sensitive personal information
- contains offensive language that targets or discriminates on the basis of race, creed, color, age, religion, gender, marital status, status with regard to public assistance, national origin, physical or intellectual disability or sexual orientation or such other protected classes
- is threatening, harassing, or is a personal attack
- incites or promotes violence or illegal activities
- contains information that reasonably could compromise individual or public safety
- promotes or endorses political campaigns or candidates
- contains false information
- infringes on copyrights or trademarks

Repeated violation of this policy subjects the offending user to being banned from use of the City's social media sites. All users of the City's social media site are deemed to give their implied consent to this disclaimer by their use of such social media sites.

The views and comments expressed on the City's social media sites do not reflect the opinions and position of the City, its officers or employees.
