Motion was made to adopt June 2016 minutes by Paul Hydro and Lori Nolan

Green Team Event- board member Birkbeck presented an application where it is a cleanup for the entire island's bays. All adjoining City's will be involved. Date is Sept 17, 2016 and there would be several staging areas in each town. Viking Rowing Club would be ours. Make the public aware of the back bays and polluting. All details have to be addressed - safety , insurances etc. They are having another meeting next week so Dir. Thomas will bring all board's concerns to those that need to be involved to start brainstorming about all issues that might arise die to this event, etc.

Motion was made by John Gallagher and Lori Nolan seconded provided all City Fathers approve plus all other concerns are addressed and approved.

Beth McCole- Supv. for Ventnor Beach Badges- concern about the events during the day the City approves and beach badges are not a factor. The Board agreed that the participants should not have to pay since that is included in the fees for the special events application however the spectators, family member s are not entitled to be exempt from having a beach badges that day.

Board going to work on ideas. But no one is exempt from beach badges if you are on the beach during Memorial Day to Labor day, it's in our ordinances this will be reiterated again to all future special event applicants.
