No Special events apps. Director's report was discussed.

Directors Report:

Summer Camps going very well, profit made was roughly \$8000. this is a valuable camp to the City. it is self sufficient, it runs itself as far as \$\$\$. The local paper did a great write up which thinks help boost enrollment. Cultural Arts program offers 2 – 1 week sessions for the kids that go to that camp. They had 40 kids sign up for the gymnastics program that we offered through the cultural arts camp. Victoria Clark was very pleased with it. Director Thomas stated he would like to see after school classes brought back for the kids if they could, offer a study or homework session first and then an activity for the kids to do. This would all happen based on funds being available.

Director Thomas mentioned that the building talked about last month need to get moving before its gets to busy. Possibly replace the old score board in the old gym it really needs to be replaced. Also looking at football and baseball scoreboard to be replaced.

Break down of all registrants for camps reviewed at meeting.

Motion was made to adjourn meeting by Lori Nolan and Diane Birkbeck
